LINKEDIN

CRM and email marketing professional with 4+ years of B2B campaign management experience, spanning CRM-driven customer communication, email and outbound campaign execution, A/B testing, journey optimisation, and data-driven performance reporting. Experienced in building and managing campaigns in Salesforce and HubSpot, working with large data sets to derive actionable CRM insights, and collaborating cross-functionally with marketing, product, and sales teams to deliver targeted, relevant communication to customer segments. Hands-on with HTML and SQL, with a strong analytical approach to measuring and optimising channel performance. Relocated to Berlin in 2024 to complete an MA in Strategic Marketing Management at ISM Berlin (Grade: 1.91), with thesis research into AI-driven personalisation in regulated B2B markets.

WORK EXPERIENCE

Marketing & Product Manager, Cloud Sales

April 2026 – Present

Xpress Computers Ltd., Remote

- Continued remote CRM campaign support, maintaining customer communication workflows and pipeline reporting in Salesforce and HubSpot for enterprise Microsoft cloud clients.

Marketing & Product Manager, Cloud Sales

January 2020 – March 2024

Xpress Computers Ltd., Mumbai, India

- Built and managed CRM-driven customer communication campaigns in Salesforce and HubSpot, designing targeted outreach journeys for different enterprise buyer segments across the full client lifecycle from lead nurture through to retention and expansion.
- Created and adapted email and outbound campaign sequences, running structured A/B tests across subject lines, messaging, CTAs, and send timing, and analysing results to optimise open rates, click-through rates, and conversion performance across campaigns.
- Worked with large data sets to segment customer audiences, derive CRM actions from business metrics, and build performance dashboards tracking campaign KPIs including engagement rates, pipeline influence, and revenue contribution. Contributed to 15% YoY revenue growth and a 25% uplift in qualified pipeline.
- Produced all email and campaign creative assets hands-on using Figma, Adobe Photoshop, and Canva, maintaining attention to detail across content, design, and technical setup to ensure accurate, on-brand sendouts.
- Collaborated across marketing, sales, and product teams to align CRM communication with product positioning, customer feedback, and commercial priorities, ensuring messaging remained relevant and consistent across all customer touchpoints.

Public Relations & Communications Intern

August 2019 – October 2019

StudioTalkPR, Mumbai, India

- Managed media relations and press outreach for the Population Foundation of India, writing releases and coordinating editorial coverage across print and digital channels.
- Built journalist database and drafted pitch notes to support ongoing campaign coverage.

EDUCATION

M.A. Strategic Marketing Management

September 2024 – March 2026

International School of Management (ISM), Berlin, Germany — Final Grade: 1.91

- **Thesis:** AI Marketing Personalisation in Privacy-Conscious B2B Markets: A German Perspective. Researched how AI-driven CRM personalisation and targeting strategies operate in practice within data-regulated environments.

Pre-Master Programme, International Business

March 2024 – August 2024

International School of Management (ISM), Berlin, Germany

- Modules: Corporate Management, Intercultural Management, Financial Reporting, Investment Theory, Business Mathematics.

B.A. Sociology

June 2016 – October 2020

L.S. Raheja College of Commerce and Arts, Mumbai, India

- Focus on social dynamics, behavioural research, and quantitative and qualitative data analysis methodologies.

PROJECTS & COURSES

McKinsey Forward Program

April 2026

McKinsey & Company, Berlin, Germany

- Selective professional development program covering structured problem-solving, prioritisation, and business strategy execution.

B2B Market Analyst & Strategy Consultant

March 2025 – June 2025

PIK AG via ISM Berlin, Berlin, Germany

- Analysed the German B2B enterprise segment (companies with 1,000+ employees), identifying growth opportunities and building a structured DACH go-to-market strategy presented to senior management.
- Identified cross-departmental process gaps and recommended practical fixes to improve execution alignment across teams.

Personal Portfolio Site

2024 – Present

simrancshah.github.io, Berlin, Germany

- Built and maintained personal portfolio using HTML, JavaScript, and CSS, hosted on GitHub Pages — demonstrates hands-on HTML proficiency applied to real production work.

International Buddy & Event Coordinator

September 2024 – February 2025

ISM Berlin, International Student Services, Berlin, Germany

- Planned and delivered 6 large-scale networking events end-to-end, coordinating cross-functional teams across logistics, communications, and stakeholder management.
- First point of contact for incoming international students, managing a high volume of queries with patience and follow-through.
