LINKEDIN

Strategic marketing and product professional with 4+ years of B2B commercial experience spanning solution sales, go-to-market strategy, enterprise pipeline management, and cross-functional stakeholder engagement. Proven track record of driving pipeline growth and revenue outcomes — including 15% YoY revenue growth and a 25% uplift in qualified pipeline — through data-driven campaigns, structured testing, and CXO-level client advisory. Complementary experience in the German B2B market through a consulting engagement with PIK AG, alongside academic research into AI-driven personalisation and privacy in marketing. Based in Berlin with conversational German and full fluency in English and Hindi. MA in Strategic Marketing Management, ISM Berlin (Grade: 1.91).

PROFESSIONAL EXPERIENCE

Marketing & Product Manager — Cloud Sales
Jan 2020 – Mar 2024

Xpress Computers Ltd. (Microsoft Modern Workplace Certified Solutions Partner), Mumbai

Owned end-to-end B2B marketing and solution sales for a Microsoft-certified partner, running paid campaigns across Google Ads and LinkedIn Ads and managing the full commercial cycle from lead generation through to client onboarding and account growth across Azure, Copilot, and Modern Workplace.

- Planned, launched, and optimised Google Ads and LinkedIn Ads campaigns targeting enterprise decision-makers — managing audience segmentation, bidding strategies, budget allocation, and ad creative testing cycles to deliver 15% YoY revenue growth and a 25% increase in qualified pipeline.
- Ran structured A/B tests across creatives, messaging, and targeting parameters, applying results iteratively to reduce cost per acquisition and improve conversion rates across campaigns.
- Collaborated with design and technical teams on creative production, tracking setup, and attribution — making sure what we were measuring actually connected to revenue, not just clicks.
- Built trusted CXO-level relationships across key enterprise accounts, translating complex product capabilities into clear commercial value and managing long-term account health and expansion.

Public Relations & Communications Intern
Aug 2019 – Oct 2019

StudioTalkPR, Mumbai — Client: Population Foundation of India

- Managed media relations and press outreach for the Population Foundation of India, writing releases and coordinating editorial coverage across print and digital channels.

EDUCATION

M.A. Strategic Marketing Management
Sep 2024 – Mar 2026

International School of Management (ISM), Berlin | Final Grade: 1.91

Thesis: AI Marketing Personalisation in Privacy-Conscious B2B Markets: A German Perspective — focused on how AI-driven targeting and attribution work in practice when data regulations constrain what you can track and personalise.

Pre-Master Programme — International Business
Mar 2024 – Aug 2024

International School of Management (ISM), Berlin

Modules: Corporate Management, Intercultural Management, Financial Reporting, Investment Theory, Business Mathematics.

B.A. Sociology
Jun 2016 – Oct 2020

L.S. Raheja College of Commerce and Arts, Mumbai

Focus on social dynamics, behavioural research, and quantitative and qualitative data analysis methodologies.

PROJECTS & COURSES

McKinsey Forward Program
April 2026

McKinsey & Company

Selective professional development program covering structured problem-solving, leadership, and business strategy.

B2B Market Analyst & Strategy Consultant
Mar 2025 – Jun 2025

Consulting Project — PIK AG via ISM Berlin

- Analysed the German B2B market across 1,000+ employee accounts, identifying growth opportunities and building a structured lead generation strategy with business cases presented to senior management.
- Identified gaps in how teams were communicating internally and recommended practical fixes to improve cross-departmental execution.

International Buddy & Event Coordinator
Sep 2024 – Feb 2025

ISM Berlin — International Student Services

- Planned and delivered 6 large-scale networking events end-to-end, coordinating cross-functional teams across logistics, communications, and stakeholder management.
- First point of contact for incoming international students throughout the semester, managing a high volume of queries with patience and follow-through.
